

Double Tuck

The double tuck carton offers robust, double-layered re-closable functionality at the top of your carton, providing an extra layer of security, protection and branding opportunity.

Features

- Two separate tuck flaps on top of the pack, secured with an additional locking flap
- High quality, lithographic print, added value embellishment and finishing techniques
- Camera controlled precision flat bed hot foil blocking and die cutting

Options

- Variety of market-tested boards, finishes, formats and sizes
- Plain or printed, varnished, foiled, embossed/debossed
- Choice of base type – crash lock, tuck lock, envelope or glued

Benefits

- Additional layer of reveal and branding opportunity during opening
- Increased protection and security of contents

Design for Sustainability

- Elevate your carton from single use to multi use by adding re-closable tuck lock closures
- No taping or gluing required once packed, saving cost and precious resources
- FSC Certified materials available
- 100% recyclable
